

Introducing a More Elegant Concept in Scandinavian Designed Jewelry

“Charm” has a whole new meaning. Developed over the past 25 years – and introduced for the first time to the US – Trollbeads are created by internationally renowned jewelry designers. Made from the highest quality raw materials including sterling silver, 18 carat gold, Italian Murano glass, natural pearls and precious stones, each bead is a treasure to behold.

Every interchangeable bead has its own history, inspired by mythology, astrology, fairy tales, cultural diversity and everyday life. Each piece of jewelry becomes the story of the individual wearing it, as they build it, one by one stunning treasure at a time.

With over 200 irresistible models to choose from, your customers will always be looking forward to their next purchase.

Help your customers tell *their* story with Trollbeads.
